

## Nest Cam IQ indoor security camera

Knows a person from a thing.

### Meet Nest Cam IQ

Nest Cam IQ gives you incredibly crisp HD video and advanced algorithms that can identify when someone's in your home, alert you and zoom in to see who's there.

#### Person alerts

Smart enough to tell a person from something else and then alert you.

#### Supersight

Automatically zooms in and follows a person's movements, while still showing you the full picture in crystal-clear video.

#### HD Talk and listen audio

Noise suppression and echo cancellation allow you to have a conversation clearly.

#### 24/7 live streaming

A 4K, 8-megapixel image sensor with HDR (High Dynamic Range) and 12x zoom lets you see every detail in full 1080p HD. Powerful IR LEDs light the room evenly so that you can even see in the dark.

#### Instant alerts with snapshots

When Nest Cam IQ detects a person, motion or sound it can send you an alert with a snapshot on your phone and via email.

#### Activity history

Review what's happened, even if you missed an alert. View your 3-hour snapshot history in the Nest app.

### Add intelligence and continuous recording with Nest Aware\*

#### Familiar face alerts

With Nest Aware, Nest Cam IQ becomes even smarter. It can send a notification if it sees a friend or family member, or if it detects an unfamiliar person.

#### 24/7 continuous recording

Never miss a moment. Scroll back easily through the last 10 or 30 days of your continuous video history using Sightline in the Nest app.

#### Clips and timelapses

Create clips and timelapses to share with your family and friends.

#### Activity Zones

Highlight areas that are important to you and receive alerts when something happens there. And if Nest Cam IQ recognises a door, it automatically creates an Activity Zone around it for you.

\*Subscription service sold separately. Camera comes with a 30-day free trial.

## SPECS

### Colour

- White

### Camera

- 1/2.5", 8-megapixel (4K) colour sensor with 12x digital zoom
- Close-up tracking view

### Video

- Up to 1080p (1920 x 1080) at 30 frames/sec, H.264 encoding, HDR

### Field of view

- 130° diagonal

### Night Vision

- High-power infrared LEDs (940 nm) with IR-cut filter

### Audio and lights

- High-quality speaker
- Microphone array
- Light ring

### Operating temperature

- 0 to 40°C

### Weather resistance

- Indoor use only

### Power

- AC adapter input: 100–240 V AC, 50/60 Hz, 0.65 A
- AC adapter output: 15 V DC, 1.87 A
- Camera input: 15 V DC, 1.0 A

### Security

- 128-bit AES with TLS/SSL

### Size and weight

- Weight: 357 g
- Height: 12.4 cm
- Width: 7.4 cm
- Depth: 7.4 cm
- Total USB-C cable length: 3 m

### Wireless

- Wi-Fi 802.11a/b/g/n/ac, 2.4 GHz or 5 GHz (WEP, WPA, WPA2 encryption supported)
- Bluetooth Low Energy (BLE) 802.15.4 at 2.4 GHz

### Connectivity requirements

- Wi-Fi connection
- Working broadband Internet connection with at least 2 Mbps upload speed

- Requires a compatible phone or tablet with the free Nest app and Bluetooth 4.0. Some phones, tablets and networks do not support 1080p. For more info, visit [nest.com/requirements](https://nest.com/requirements)

### Languages

- English
- Dutch
- French
- German
- Italian
- Spanish

### Green

- Recyclable packaging

### Warranty

- 2-year limited warranty
- For support, visit [nest.com/eu/support](https://nest.com/eu/support)

## IN THE BOX

- Nest Cam IQ camera
- Power adapter
- Power cable
- Quick Start Guide

## BANDWIDTH REQUIREMENTS

- At 1080p, Nest Cam requires 800 to 2,000 Kbps of upload bandwidth while streaming video.
- Cameras will use more bandwidth to stream video when there is more

- movement in a scene.
- If you subscribe to Nest Aware, your camera will stream all video to the cloud for secure off-site storage. At 1080p, each camera could use 150 GB

- to 300 GB of upload bandwidth per month, depending on the video-quality setting.
